# LUBBOCK ISD ATHLETICS WELCOMES YOU!

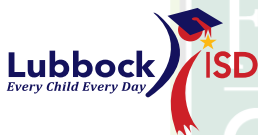

On behalf of our four LISD head baseball coaches and their respective programs, I would like to welcome you to the city of Lubbock and the 2024 FirstBank Classic - hosted by Lubbock ISD Athletics.

We are extremely proud to partner with FirstBank & Trust for the **23rd Annual FirstBank Classic**. They are loyal supporters of Lubbock ISD Athletics as well as many other high schools in our area. This year also marks the 41st year for the tournament in Lubbock and we are proud to serve as the host at all four of our high school baseball complexes. We also wish to thank both Lubbock

Cooper and Frenship for allowing us to take a portion of the tournament to their campus facilities once again in 2024.

We look forward to a great weekend of high quality baseball from the 17 teams that will compete. Involvement in these activities helps our students learn leadership, teamwork, sportsmanship, and other character-building traits. An outstanding high school program focuses on the education of the total individual. I am proud of the way Lubbock Independent School District student-athletes represent the school district and the community, and I salute them for their many accomplishments in both academics and extra-curricular activities.

For our visitors, we extend a warm welcome and hope you enjoy your visit to our district and the city of Lubbock. Thank you for coming to the tournament and supporting all of our young people. We hope you have a great experience.

# 2024 KAL SEGRIST LIFETIME ACHIEVEMENT AWARD DOYLE SOOTER

The Kal Segrist Award, named after the late Texas Tech University head baseball coach, recognizes individuals who have dedicated years of service to the advancement of youth baseball in Lubbock. Past recipients include Dr. Bill Dean, Bobby Moegle, John Dudley, Mike Gustafson, Rip and Mark Griffin, and 2023 recipient Curtis Alexander. This year's recognition of Doyle Sooter is the 26th year of the award's presentation.

Baseball has been an important part of Doyle Sooter's life for as long as he can remember. First stepping into the ballpark at just six years old, Sooter spent his childhood and teenage years playing in Southwest Little League, Pony League, and on the Monterey High School team. Following high school graduation, he was asked to try his hand at coaching alongside Gib Weaver for the Dixie Little League summer season. Discovering his passion for mentoring young players, Sooter went on to coach his own team, with help from Clay Powell, for five years.

Soon, Sooter was approached with a new opportunity as Wendell Brown and Curtis Alexander came to Sooter with the proposition of umpiring for 'just one summer,' which turned into a 36-year career.

Sooter has made significant contributions to the Lubbock baseball community through his extensive umpiring experience. His involvement in high school state tournaments, 25 years with the Big 12, and dedication to scheduling umpires for little league, high school, and college baseball over the span of 25 years reflects a deep commitment to the sport and the development of umpiring talent at various levels.

From age six to sixty, Sooter has never missed a season of baseball, being involved in the sport as a player, coach, or umpire. In 2022, after a 54-year baseball journey, Sooter retired. He now enjoys spending his free time with his wife of 27 years, Cindy, two children, and three grandchildren.
