LUBBOCK ISD ATHLETICS WELCOMES YOU!

On behalf of our four LISD head baseball coaches and their respective programs, I would like to welcome you to the city of Lubbock and the 2025 FirstBank Classic - hosted by Lubbock ISD Athletics.

We are extremely proud to partner with FirstBank & Trust for the **24th Annual FirstBank Classic**. They are loyal supporters of Lubbock ISD Athletics as well as many other high schools in our area. This year also marks the 42nd year for the tournament in Lubbock and we are proud to serve as the host at all four of our high school baseball complexes. We also wish to thank both Lubbock

Cooper and Frenship for allowing us to take a portion of the tournament to their campus facilities once again in 2025.

We look forward to a great weekend of high quality baseball from the 16 teams that will compete. Involvement in these activities helps our students learn leadership, teamwork, sportsmanship, and other character-building traits. An outstanding high school program focuses on the education of the total individual. I am proud of the way Lubbock Independent School District student-athletes represent the school district and the community, and I salute them for their many accomplishments in both academics and extra-curricular activities.

For our visitors, we extend a warm welcome and hope you enjoy your visit to our district and the city of Lubbock. Thank you for coming to the tournament and supporting all of our young people. We hope you have a great experience.

**2025 KAL SEGRIST
LIFETIME ACHIEVEMENT AWARD
JEFF BERRYMAN**

The Kal Segrist Award, named after the late Texas Tech University head baseball coach, recognizes individuals who have dedicated years of service to the advancement of youth baseball in Lubbock. Past recipients include Dr. Bill Dean, Bobby Moegle, John Dudley, Mike Gustafson, Rip and Mark Griffin, and 2024 recipient Doyle Sooter. This year's recognition of Jeff Berryman is the 27th year of the award's presentation.

In a community blessed with an abundance of truly fantastic baseball folks, Jeff Berryman stands out as a true "baseball man." As a player, a youth coach and as an umpire on many different levels, Jeff's contributions to the game and, especially, to baseball in the city of Lubbock, has been immense. A former Coronado Mustang - a 1983 graduate and played for Coach John Dudley - Berryman has enjoyed the diamond game for many, many years.

He and his wife, Terry, of 33 years, have two sons, Casey (31) and Cody (28), both of whom Jeff coached throughout their youth baseball days. He began coaching the boys in 1998 and went all the way through with them until 2007, claiming many league and all-star titles along the way. Both boys went on to stellar HS careers at Shallowater before playing college ball.

Berryman also began umpiring in 1998, simply to "help out" with Showcase Fall Ball and that turned into a tremendous career wearing the "blue." At all levels, success has followed him closely. He worked the Little League SW Regional Tournament in 2014, then advanced to the Little League World Series title game in 2015. As a high school umpire he has been a UIL State Tournament crew member in both 2017 and 2021. The last two seasons ('23 & '24) he has arbitrated the NJCAA Region 5 Tournament.

When he's not on a diamond, Jeff enjoys spending time with family (he and Terry have a 2-1/2 year old granddaughter, Heidi, and a newborn grandson, Whitt), fishing and hunting.
